I am aware that the time for early release is **2:30pm** and any camper that is leaving early must have this form filled out. All day campers that do not have this form filled out will be released from camp at 5:00pm once the afternoon activities have completed. The directors of the camp appreciate your cooperation in this matter. These set times ensure that all campers have a safe experience at camp. This also ensures that the staff at the camp knows where each camper is at all times.

Please review the camp's "Authorization for Camper Release by Non-Guardian" form in the event that someone other than the camper's parent or legal guardian will be picking up the camper.
