Q WHAT ABOUT SUPERVISION?

A Campers are supervised during their entire time at the camp. Campers are assigned to a coach for their daily baseball activities and to an overnight

counselor during the overnight portion of the camp. Each head coach is responsible for 10 campers, we have assistant coaches on staff as well so the coach to camper ratio is less than 10:1. We do not use a camp “buddy system” throughout the week of camp, campers are not allowed to go anywhere without their day coach or overnight counselor. Our staff stays in the same dormitories with participants. Adult supervision is a top priority at our camp.

Q WHAT SHOULD CAMPERS BRING?

A Once you’ve registered for camp you will receive a camper confirmation packet via email or in the mail in about 1 week. Included in this packet are: a list What to Bring; Camp Check-in Instructions; Health and Liability Forms; Medication Dispensing Forms; Roommate and Group Request Form; Camper Release Forms and directions to the camp. Any form that needs to be completed must be returned to us two weeks prior to the start of camp.

The camp has a camp phone that will be answered by a camp director for incoming calls in the event of the rare emergency. A detailed cell phone policy is sent out as a part of the registration confirmation. Day campers cell phones must be turned off during the camp hours.
