RBI BASEBALL ACADEMY

Dustin Pedroia and Jason Varitek Camp

Early Release/Pick-up Information

If a camper is leaving early for any reason during regular camp hours, you MUST complete an Authorization for Camper Early Release Form and return it to us. ALL EARLY RELEASES must be picked up at 2:30pm.

Anyone who is picking up must present a picture ID. The Parent/Guardian must indicate name(s) of anyone other than themselves who will be picking up the camper on the Authorization for release to Non-Guardian form and return it to us prior to the camp.

CAMPER BANKS

Parents may set up bank accounts for the overnight campers to use at our on-site pro shop and to purchase vending items. The funds will be distributed during the week by an assigned camp instructor at designated times. Any remaining funds will be returned to the camper on Thursday night of camp.

Administration of Medication

No medication, including aspirin, will be dispensed to any camper unless there is an original Authorization for Dispensing Medication form on file. All medication will be dispensed by the camp nurse. All medication must be in the original pharmacy container with the pharmacy label adhered to the bottle.

POLICY FOR CARE OF MILDLY ILL CAMPERS

All mildly ill campers will be sent to the designated infirmary area to be seen by the camp first aid staff. This facility is identified to all campers as the infirmary as well as the first aid facility. This room is designed to provide isolation for an ill child with communicable disease or suspected of such illness or otherwise in need of quiet and rest. This space is suitably equipped and not utilized for any other purpose. An isolated child shall be provided with adult supervision. The health care supervisor on staff shall contact the child's parent/guardian to inform them of such illness and may decide to release camper to parent/guardian at her discretion after consulting with the camp director

Emergency Health Care Plan:

Emergency: Any sever life threatening situation: any situation requiring immediate assessment and treatment. **Procedure:** 1.) If possible, transport camper to first aid station. 2.) If unable to transport camper, a designated staff member will notify the camp health care supervisor of the situation. 3.) The camp health care supervisor will assess the situation and provide first aid as needed and consult a physician. 4.) Call 911. 5.) Contact parent/guardian

** Upon request, parents have the right to review background checks, healthcare, discipline policies and grievance procedures. MBH 190(0)
