RBI Winter Prospect Clinic

On Sunday, January 15th and Monday, January 16th, the RBI staff will be running its 3rd Annual Winter College Prospect Clinic. Formerly known as the “New Year’s Eve College Prospect Clinic”, it has annually drawn over 80 players, 25+ college coaches, and even a handful of MLB Scouts. While there are many “exposure-only” type programs out there, RBI aims to gain each player the combination of collegiate-level instruction AND the opportunity to be evaluated by every coach in attendance. Players will work in small groups with rotating coaches to provide both the players and the coaches the best chance to interact and improve!

Winter Prospect Clinic Schedule:

Day 1 – Sunday, January 15th:

9:00am – 1:00pm

- Instructional Clinic by Position
- College Coaches Lecture /Q & A

Day 2 – Monday, January 16th:

9:00am – 1:00pm

- Evaluation Day

Who is RBI Baseball Academy?

RBI Baseball Academy was founded in 2004 by Paul Rappoli, Jr. Paul spent 9 years in the Boston Red Sox organization and was fortunate to learn from coaches and past players from one of the most historical sports franchises in existence including Hall-of-Famers Jim Rice and Carl Yastremski. Since 2004, Rappoli Baseball Inc., otherwise known as “RBI” has instructed thousands of players from beginners to professionals on the fundamentals as well as advanced techniques used throughout the college and professional coaching ranks. In addition to the year-round instruction at our indoor facility in Foxboro, MA, RBI has run some of New England’s most successful camps and clinics that have been headlined by some of Major League Baseball’s biggest superstars including Dustin Pedroia, Jason Varitek, Nomar Garciaparra, Rocco Baldelli, Kevin Millar, Manny Delcarmen, Trot Nixon, and former Red Sox Manager Terry Francona.

Testimonials

“During my 19 years as Northeast Regional Scout for the Boston Red Sox I have seen countless facilities and attended hundreds of showcases. Paul Rappoli and his staff run some of the finest programs I have ever experienced. It is one of the few instructional programs that I fully endorse. His showcases specifically are outstanding. Most showcases care only about being pure revenue generators. They do not care about developing the player or helping them once they leave. The RBI Academy on the other hand takes great pride in not only exposing players to college coaches and major league scouts but by also providing quality instruction. Their showcases make players better and they care about individual. His staff is highly respected by the professional baseball community because they want to maximize every young athlete’s potential and find the right fit for them at the ‘next level’ whether they are major league prospects or just want to be better high school players.”

Ray Fagnant

Northeast Regional Scout, Boston Red Sox

“The RBI Baseball Academy is without a doubt, the finest year-round training facility in the entire New England region. Each time I attend an event at RBI, I come away extremely impressed with the knowledgeable and dedicated instructional staff, the state of the art training facilities, and the innovative programs tailored to overall skill development. If you are an aspiring high school player looking to take your game to the next level, RBI Baseball Academy is the place for you.”

Brian Nichols

Northeast Scouting Supervisor, Seattle Mariners

“I wanted to thank you and the RBI staff for running a great Showcase. It gives my son Garrett a benchmark to improve on and it’s a great launching pad for college-level exposure throughout his junior year of baseball. Thanks and we’ll see you again soon!”

Father of Garrett Briggs, RHP/OF, Class of 2011, Bishop Feehan High School
